TUVEXA

Connect Your Service. Build Destinations.

**A marketplace for travellers. A smart system
for service providers.**

Our mission is to enable travelers to discover and book complete
destination experiences in one seamless search.

WHAT IS TOURLAST?

Tourlast is a digital marketplace where travellers can search, compare, and book services from trusted travel, hospitality, and tourism providers.

Travellers Can Book

- Hotels, apartments, resorts, villas & guesthouses.
- Flights and travel agency services.
- Tours, experiences, events, activities & attractions.
- Transport, transfers, car hire & local services.
- Restaurants & destination partners.

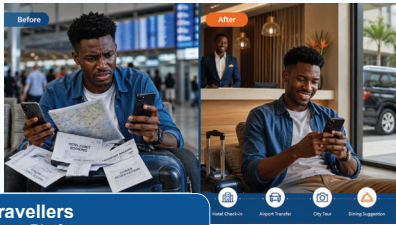

One Platform For the Full Travel Journey.

Tourlast makes trip planning easier by bringing key services into one connected place, helping travellers move from searching to booking with more confidence.

PROBLEMS WE SOLVE

Less Manual Work. More Connected Services.

For travellers

- Too Many Platforms
- Unclear Information
- Separate Bookings
- Difficulty Planning a Complete Trip

For Providers

- Low Visibility
- Weak Reporting
- Manual Bookings
- Disconnected Services
- Scattered Customer Records

WHAT IS TUVEXA?

The System That Helps Providers Manage and Grow.

Tuvexa is the technology system behind Tourlast. It helps service providers manage bookings, availability, prices, customer records, reports, payments, connect and service information from one dashboard.

FOR SERVICE PROVIDERS

Tourlast and Tuvexa help hospitality, travel, & tourism businesses become more visible, more organized, and easier for customers to book.
